

Employer Review

- How do you feel about your job?
- How does your spouse feel about your job?
- How do your kids feel about your job and your work?
- What about your job, you love doing, what do you think you're really good at?
- What about your job are you not so good at?
- Is there anybody on the team that you love and really appreciate right now because they're super helpful or they're just connecting with you?
- Is there anybody in that team maybe that, that you're not pumped up about, or maybe he's a little bit annoying?
